Normally AGM is a one-day event when the old MM turns over to the new MM through some magical production, but this year we wanted to make our last moments with you prolonged so we turned the event into a campout weekend.

Full meals will be served after each run.

For campers a light brunch will be served Saturday morning at 10am-ish

Drinks will be available only during the run events. Bring what you need for other times.

You do not have to camp out all weekend, but it sure would be fun if you did

If you are coming for the runs and not camping overnight,

park your car in the visitor parking at entrance to campground then walk thru gate and up to Amphitheatre.
